## LA STATE TREASURER JOHN FLEMING ANNOUNCES INVESTMENT IN ISRAEL:

On Monday October 7, on the one-year anniversary of a brutal invasion by the terrorist organization Hamas, that led to the deaths of 1,200 innocent people, Louisiana State Treasurer John Fleming, M.D., reiterated his strong support for Israel. According to Dr. Fleming, "Israel is the Middle East's only true democracy. It is facing serious attacks from both Iran and their terrorist proxies, Hezbollah, the Houthis and Hamas. These terrorist actions are driven by a cruel mission to annihilate the Jewish people. We are honored to offer assistance for Israel as it fights this evil, safeguards innocent civilians and works to reunite the remaining hostages with their families." Dr. Fleming vowed that the Louisiana Department of Treasury "will continue to oppose antisemitism by not investing in entities that partake in the BDS movement and by ensuring that the financial research and ratings that our state relies upon is based on sound financial principles rather than BDS movement tactics meant to isolate Israel in the world economy and breed prejudice against the Jewish people."
