## STATE FINANCIAL OFFICERS LEAD EFFORT SEEKING “DAY ONE” ACTION FROM CONGRESS ON NATIONAL DEBT:

Baton Rouge, LA: Louisiana State Treasurer John Fleming, M.D., joined 37 state financial officers in sending a letter to each member of Congress imploring them to develop and implement a long-term plan to remedy the nation’s severe financial problems. They are leading an effort to sound the alarm on the severity of the crisis and offer support to Congress in the difficult decisions ahead.

“One of the main reasons for our dire financial situation is the reckless spending of our federal government. Congress must address this situation immediately before the crisis worsens,” said Dr. Fleming.
